Re: Solid Waste Facility License No. L-134-16 issued to City of Roses Disposal and Recycling, Inc.

Dear Mr. Simpson:

The application that City of Roses Disposal & Recycling, Inc. submitted to Metro seeking to renew its license to accept and process mixed dry waste and wood waste has been approved. I have attached copies of Metro Solid Waste Facility License No. L-134-16 and a corresponding guidance document entitled "Reporting Requirements and Data Standards for Metro Solid Waste Licensees, Franchisees, and Parties to Designated Facility Agreements" for your records. I recommend that you review the terms of this license carefully as its provisions are effective on July 1, 2016.

Under Metro Code Chapter 2.05, you have the right to request a contested case hearing regarding the provisions contained in the license. In order to do so, you must make this request in writing and ensure that Metro receives the request within 30 days of the date this letter was mailed. Any such request should be directed to my attention at Metro. You may retain legal counsel to represent you at the hearing. Article IX, Section 14 of the Oregon Constitution, the Metro Charter, ORS Chapter 268, and Metro Code Chapters 2.05 and 5.01 provide Metro's authority and jurisdiction for the hearing.

If you have any questions regarding this matter, please contact me at (503) 797-1836. Thank you.

Sincerely,

Warren Johnson  
Solid Waste Compliance Manager
