

## *Six key takeaways from Forum 1*

Our region is growing and changing and so is the world around us.

## *Six key takeaways from Forum 1*

The region's transportation system is a shared experience and a shared responsibility.

## *Six key takeaways from Forum 1*

**We need to define a bold vision for the future of transportation and the role it should play in our communities.**

## *Six key takeaways from Forum 1*

Our transportation system must be inclusive and benefit all families, communities and our economy.

## *Six key takeaways from Forum 1*

**Technology and data will be transformational and are key to a bold vision.**

## *Six key takeaways from Forum 1*

We need partnerships and leadership to create a great future.

# BIG VISION

Our region's economic prosperity and quality of life depend on a transportation system that provides every person and business with access to safe, reliable, affordable and healthy ways to get around.

An aerial photograph of a city street intersection. A white and blue tram is moving from the top right towards the bottom left. A silver car is visible on the left side of the street. The street has a grid pattern of sidewalks and road markings. The text "THE CHALLENGE" is overlaid in the center in a large, bold, blue font.

# THE CHALLENGE

Are we ready to build  
the future we want?

*What are you going to do to help make the world a better place today?*

*New partners and innovation need to be part of shaping a shared vision.*

*We're only going to get out of this mess  
if we all work together.*
