What would you like to share with Metro about the Columbia Recycling PDX solid waste facility license application? *	<p>Proud to do business with them, I only wish they had something closer to my home base since Far West moved from SE to. NE.</p> <p>The folks there at Columbia do a huge part in recycling for much of this city and would be commended. I grew up on the three R's, Reduce, Re-Use, Recycle and Columbia helps to facilitate that.</p>
